Partial or full cash-in

Notes to help you

This form lets you take a one-off withdrawal from your International Prudence Bond by partially or fully cashing it in.

Please send this completed form to Prudential International, Stirling FK9 4UE.

Where a bond has been issued in France please use form IPBF10187.

This form is divided into sections. Notes can be found at the end of each section to help you fill in this form.

Please use black ink and write in CAPITAL LETTERS or tick as appropriate. You must initial any corrections – don't use correction fluid as this will invalidate your application.

Tax warning
Tax may be payable when you make either a partial or full cash-in. If you’re not sure as to how your withdrawal will be taxed please speak to your financial adviser BEFORE submitting this form.

Prudential International can't, under any circumstances, undertake tax calculations for either bondholders or their advisers.

Non UK resident bondholders
Any tax liability may vary depending on your individual circumstances including, but not limited to, your tax residency and the size of any partial or full cash-in you take from your bond.

UK resident bondholders only
There are different tax consequences depending on how you cash in your bond. These depend on whether the withdrawal is made by cashing in full policies (segments) or by cashing in across all policies, which uses the 5% tax-deferred allowance.

Please note the 5% tax-deferred allowance doesn’t apply to company bondholders.

Tax rules can change, the impact of taxation (and any tax relief) depends on your circumstances.
